CTHULHU ELIMINATION INITIATIVE

"LET'S KILL CTHULHU"
(above and below, 2002) - The senshi declare war on Chulthu and the day after X's computer dies IRL which he does not consider a coincidence.

CALENDAR 2004
The first attempt to make a Suburban Senshi calendar was in 2004, but never got further than this unfinished sketch of an irritated Hotaru.

In an attempt to adapt to pictures being more memorable than text chats, several experiments were made to examine the feasibility of moving from text chat to "captures" from video chats (left, bottom right) or Visual Novels (top right). Ultimately it was decided to be too much work to turn anything around in a timely manner.
